

2019 Poster Contest!

Henry County Schools, Grades K—12th

Imagine a Day Without Water

October 23, 2019

Imagine just one day without water...you couldn't take a shower, flush the toilet, wash your clothes, brush your teeth, wash your hands, cook your food, water your plants, drink water or provide water for your pets, etc. Water is our liquid of life, without it, what would we do?

Use your artistic creativity to show the importance of water conservation to protect our most valuable resource.
